

**T**he Atlanta-based law firm Goldstein & Hayes, PC, handles catastrophic personal injury, wrongful death, medical malpractice and tractor-trailer cases throughout the Southeast. The small size of the firm allows Goldstein & Hayes to give personalized attention to each of its clients. Its successes permit Goldstein & Hayes to be selective in the matters it accepts and its caseload is limited to ensure every client receives the attention necessary for victory.

Goldstein & Hayes focuses on helping people who have suffered injuries caused by the misconduct or negligence of another. Jim Goldstein and Jonathan Hayes are dedicated to seeking maximum compensation for their clients. Their goal is to give clients and their families the resources they need to begin rebuilding their lives after a serious injury or death. Goldstein & Hayes carefully prepares each case to maximize the recovery for their clients. Their efforts have resulted in high verdicts and settlements in cases involving fatalities and catastrophic injuries from tractor-trailer and motor vehicle accidents, swimming pool accidents, medical malpractice and dangerous products.

Goldstein & Hayes is proud to announce that its peers have named Jonathan Hayes to the *Georgia Rising Stars* list.

#### **PROVEN SKILLS**

After graduating law school in 2000, Jonathan immediately assumed a full caseload. Jonathan was offered and accepted a name partnership just five years later—a recognition of his unusually high quality of work and proven litigation capabilities. In successfully representing his clients, Jonathan has obtained numerous million-dollar-plus recoveries and he recently received national attention by establishing legal precedent in a case involving expansive penalties for intentional destruction of corporate evidence.

#### **SUBSTANTIAL RECOVERIES**

Goldstein & Hayes has a history of accomplishment that includes more than 25 financial settlements and awards in excess of

\$1 million and several multimillion-dollar recoveries. "As a smaller firm, we are able to give highly personalized attention to each case," Jonathan explains. "Each case

is meticulously prepared to maximize results for our clients." As a result of its tenacity, preparation and excellent legal skills, the firm has been successful in its representation of clients in both the trial and appellate courts.

#### **CLIENT DEDICATION**

"Delivering the resources to allow clients to begin putting their lives back together again is very rewarding," says Jonathan. "We work hard to give our clients and their families a chance to start again by providing them with financial security, access to the best medical care, and the means to an improved quality of life."
